Experience

United Nations Department of Global Communications - Video News Intern, Video News Team
New York, NY | April 2026-Pres

- Produced, shot, and edited video news content, with projects collectively garnering millions of views across digital platforms; contributed to daily-turnaround news coverage and long-form projects.
- Covered field shoots throughout the New York City area, capturing interviews and footage, leading projects from pre-production through post-production.
- Conducted and assisted with interviews featuring the UN Secretary-General, President of the General Assembly, First Lady of the United Nations, and other high-level officials and international experts.
- Created and versioned video content for social platforms, versioning for different digital formats and audiences.

Reinventing Local TV News - Video Producer, Editor, Website Manager
Boston, MA | September 2024 – Pres

- Conducted outreach and interviews with community leaders to gather insights on underreported topics.
- Designed, developed, and managed the RLTVN website, optimizing UX/UI and ensuring content updates across platforms.
- Produced short-form videos and Canva fliers for social media, translating research into compelling content.

Humans of Public Service - Video Podcast Editor
Remote | 2024-Pres

- Edited oral history video podcasts in Adobe Premiere Pro spotlighting public and civic servants, including a feature episode with Ambassador Andrew Young.
- Rebranded and updated legacy video content to align with current project identity and design standards.

Northeastern University — Teaching Assistant, Documentary Production in Spain
Madrid, Spain | July 2025-Sept 2025

- Led camera and production workshops for 16 students, teaching hands-on cinematography, lighting, and storytelling techniques in an international, immersive setting.
- Assisted on shoots and editing for 9 student documentaries in Adobe Premiere, ensuring professional-quality output.
- Guided students in multi-camera setups, audio syncing, and narrative editing to elevate final projects.

Wayfair Inc. — Creative Video Editing Co-op
Boston, MA | January–June 2024

- Edited 50+ social assets garnering 23+ million views in Adobe Premiere Pro and After Effects.
- Delivered high-volume, fast-turnaround edits across campaigns and platforms.
- Collaborated with creative leads to ensure alignment with visual identity.

School of Public Policy and Urban Affairs at Northeastern University — Intern / Communications & Design Co-op
Boston, MA | June 2022 – June 2023

- Managed social media platforms, driving 40,000+ impressions and boosting audience engagement.
- Administered and updated the School website, collaborating with faculty to highlight research and media coverage.
- Promoted to Co-op; led a team of three to design branded marketing collateral.
- Developed a system to streamline newsletter and communications submissions.

Projects & Publications

PSAs for Education for Nature Vietnam - Writer, Director, Producer
Hanoi, Vietnam | 2023, 2025

- Wrote, produced and directed four public service announcements reaching 14M+ viewers each, across 50+ national TV channels.

- Led a 95-person film crew on shoot days in Hanoi, Vietnam.

Northeastern University — UN Delegation Member & Environmental Documentary Producer
Kenya, Canada, Korea | 2023, 2024
- Served as a member of Northeastern's official delegation to UN plastics negotiations in Kenya, Canada, and Korea.
- Produced a documentary on the global plastics crisis, amplifying frontline communities' role in environmental governance.
- Conducted on-the-ground interviews with community leaders, activists, and stakeholders.

International Reporting Trips — Reporter & Web Designer
Spain, Peru, Puerto Rico | 2025. 2024, 2022 (respectively)
- Designed websites to showcase student journalism from Northeastern's reporting abroad trips.
- Produced a student Emmy-winning doc on illegal fishing in Peru and a short film on invasive species in Puerto Rico.
- Partnered with WCVB Channel 5 News as a videographer for a Chronicle episode on Peru's and Spain's culture.

The Boston Scope - Reporter
Boston, MA | 2022
- Wrote, pitched, produced, and published two video news packages on analog photography and disability justice.
